

## ***Voting Procedures - KHSAA Annual Business Meeting***

### **1. Location and Preliminary Procedures.**

- a. All voting delegates should be seated in the center section of the hall, while all non-voting delegates shall be seated in the outer areas of the hall.
- b. Delegates will be issued a school labeled paddle at morning session upon registration.

### **2. Use of the Ballot and Floor Voting Procedures**

- a. Voting on the proposed amendments to the Bylaws and Constitution will be done by paddle. Each delegate has received a paddle for the meeting.
- b. This voting will be done at the conclusion of each issue.
- c. Requests for amendments and procedural motions shall be taken by standing vote using the school labeled paddles or by voice vote.
- d. As this is a Convention, and each delegate represents only one school, there are no provisions for a roll call vote. To allow a roll call vote in this type of assembly would serve the sole purpose of identifying the specific vote of each member and is therefore out of order in accordance with Robert's Rules of Order.

### **3. Results of Balloting**

- a. Following the completion of the tabulation of the ballot, the results of the issue will be announced.
- b. Delegates may choose to wait for the final count on issues, or may choose to receive the results via the mail or web site distribution.
- c. In order to pass and be forwarded to the Board of Control for consideration of future action within the regulatory process, a proposal requires a two-third (2/3) affirmative vote of those schools answering the roll.
