Knox Central (continued)

#### **Coach's Comments**

Your team's accomplishment of advancing to the State Tournament:

This is the first time Knox Central has advanced to the state tournament since 1995. Last year our team finished runner-up losing to North Laurel by 1 run in the championship game. We are looking forward to the opportunity to represent our community at the state level.

### **Coach's Comments**

What are keys to your team's success in winning the tournament:

Depth is the key word I would use to describe our team this year. Our pitching staff has been the backbone of this team with team ERA of 2.297. The staff is anchored by senior Seth Hill who has been on the varsity team at Knox Central since his 7th grade year. We have also been able to throw 10 pitchers over the course of the season, and each pitchers has been very effective. Offensively we are led by Senior Jacob Nelson who has led us in every offensive category this season. Jacob has hovered around .500 average all year and hit 7 home runs.

The biggest factor in our teams success will be utilizing our depth and playing mistake free baseball.
