GENERAL WINTER INSTRUCTIONS FOR ALL SPORT AND SPORT ACTIVITIES

SUPERSEDURE NOTE

The information in these instructions supersedes any information previously distributed, including the Competition Rules.

In many cases, these rules have been revised over the last couple of years through the pandemic to the point where time has not permitted complete overhaul and revision of the competition rules

All involved should review items such as tiebreakers and procedures for competition and consider this document authoritative.

Contact the primary event contact with any additional questions.

WATER

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

VENUE SAFETY

Persons who attend KHSAA events may be injured as a result of the risks inherent in being a spectator at such events.

Please advise KHSAA or venue personnel of any situation you encounter which you or a fellow spectator feels should be addressed to minimize risk to all involved.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

Attendance at events is a vital family and community based activity which is encouraged.

SIGNAGE, BALLOONS, NOISEMAKERS AND MUSIC

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate competition management cues are not permitted to include, but not be limited to:

- Air horns that may interrupt cadence or cause safety issues in specific sports and sport-activities
- Electronic amplifiers
- Portable sound systems unless used by bands during outdoor events when they are permitted to be used by playing or competition rules
- Whistles
- Game clock horns simulator

Managers should confiscate items if used with the managers determining if they are returned post championship.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music is permissible, but only during pre-event, natural and planned breaks/timeouts.

ENTRY OF SERVICE ANIMALS

Service animals are important and valued professionals that serve the needs of owners and must be present at all times.

Because service animals are essential for specific individuals, we wanted to make all attendees are aware of the definitions and guidelines in place to make certain service animals are present as well as to ensure the well-being of all individuals in attendance at KHSAA championship events.

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided

to the animal and service provided.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We remind you that officials expect good behavior and will quickly penalize misconduct.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

ROSTERS

POSTSEASON ROSTER

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available participants.

This roster information is also used for advance preparations for state qualifying teams or individuals.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

HEALTH INFORMATION

PHYSICAL EXAM FORM

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 (Physical Exam Form) for this purpose.

The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition.

EMERGENCY ACTION PLAN

UK HealthCare Sports Medicine is the official Sports Medicine Partner for the KHSAA State Championships.

KHSAA staff will, in consultation with UK HealthCare Sports Medicine and venue personnel, develop an Emergency Action Plan (EAP) for this event.

An AED (and in many events, multiple AEDs) will be on site for use in the event of an emergency, including specific assignments to the designated on-site training staff.

The on-site training staff will also be responsible for any necessary monitoring of the wet bulb globe temperature and notification to KHSAA staff and the contest officials for determinations of any necessary adjustment to activity.

If an athlete or other team member is in need of emergency medical attention, contact the nearest KHSAA staff member, official, trainer or venue staff so emergency medical services can be immediately contacted.

An AED will also be located at the team check-in area.

ATHLETIC TRAINERS

The Association will use the services of UK HealthCare to provide trainers for the KHSAA state events, and in the event of disagreement, this group shall serve as the primary determinant of medical next steps.

Athletic Training Staff will be available beginning one (1) hour prior to the event and remain available throughout the day.

For team sports - basketball, baseball, field hockey, football, soccer, softball, and volleyball - individual school Athletic Trainers should be included in the distribution of Team Party passes.

For other sport and sport activities, see the sport-specific section of these instructions for bringing a team trainer.

INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the host facility, to make decisions in regards to postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Staff will utilize the KHSAA website and Twitter to provide updates as well as an emergency text notification system.

KHSAA officials will make every effort to learn the weather forecast prior to the start of competition as the safety of the public and participants will be the most important factor in any decision.

HEAT INDEX PROGRAM

Tournament play will adhere to the KHSAA's Heat Index Program, which pertains to the outside temperature as well as monitoring the indoor temperature of venues without air conditioning.

Tournament administration will be responsible for tracking and implementing the program's guidelines.

Should the heat index reach 95 degrees, mandatory 10-minute water breaks will be given every 30 minutes.

At 99 degrees, play shall stop, and the heat index will be monitored every 30 minutes.

LIGHTNING/THUNDER POLICY

The District or Region Manager of any outdoor sports or activities, or indoor sports with non-grounded pools, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder.

All competitions shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

Remember per the US Weather Bureau, Heat Lightning does not exist, it is a myth.

Lightning is lightning if it can be seen or heard, period.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

The detailed medical policies are online and a link at the end of this general section.

Teams should contact the hotel before NOON on that date to confirm or cancel your reservations.

There is a penalty for failing to utilize the assigned property if another property is used in deference to the properties that have not only offered a significantly discounted rate, but have held the rooms for the schools rather than selling them at a higher rate to the public.

For details regarding the expense reduction related to lodging, see the team expense reimbursement section.

SPORTSMANSHIP, TEAM AND FAN BEHAVIOR

The Kentucky High School Athletic Association requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values.

All parties have worked hard to create a sense of teamwork, respect, responsibility, and perspective.

Officials expect good behavior and will quickly penalize misconduct.

Let this competition reflect mutual respect among all participants and officials.

BENCH DECORUM

The KHSAA will instruct the game officials to enforce the rules of the game regarding bench conduct and the coaching box.

The NFHS approved 28-foot coaching box will be utilized for the tournament games.

With the continued emphasis on sportsmanship and the high profile nature of the state tournament, there should be no need for further reminders about the conduct of the coaching staff and other personnel on the bench, including actions, gestures and language.

In light of recent Board of Control emphasis on conduct, the game officials have been instructed to ensure that all rules are enforced within the NFHS Rules and other books.

FAN CONDUCT, BEHAVIOR OF CHEERING (PEP) SECTION

Fans demonstrating unsportsmanlike conduct are subject to removal without refund.

Note that all fans entering the arena are subject to the search of any personal belongings, including purses, bags, carry-alls, back packs, etc.

While the Association encourages spirited competition and fan participation, it is important to set out boundaries for the fan groups, and absolutely essential to have the cooperation of member school personnel.

No one is to come on the arena floor without a TEAM PARTY pass.

Fans are to stay in the stands before, during and after the game.

The School Administrators are expected to notify non competing students that they are not to come on the playing area prior to, during, or following the game and to assist in the prevention of this, and if this occurs, penalties will be imposed upon the member school per bylaw 27.

Access to competition areas shall be limited to participating student-athletes, coaches, officials, support personnel and properly-credentialed individuals at all times.

School Administrators should remind fans which sections of the arena to which your school has been assigned.

Any member school who has students relocate to a specific section of the arena to rendezvous with team members; has team members enter the stands following the game, or has members of its cheering (pep) section enter the court en masse following the game will be penalized as a violation of KHSAA Bylaw 15 (practice of sportsmanship).

THROWING OF OBJECTS AND FACILITY DAMAGE

Any team whose student/cheering (pep) section throws any object or material on the floor that results in a delay of game will be assessed a team technical foul under NFHS Rule 10-1-5b without warning.

This prohibition on throwing objects or materials includes paper, powder and any other foreign substance and school representatives should remind your student body repeatedly of this prohibition.

Schools will be responsible for any damage to the playing facility by your cheering (pep) section.

Any amount for repair will be deducted from team expenses and if it exceeds team expenses, billed to your school for immediate payment.

Please make certain you inform your student body and the team family that the school will be financially liable for damage to any part of the arena.

SIGNS, PLACARDS AND BODY PAINT

Confetti, signs, placards, flags and banners that cannot be held by one person within the confines of his/her seat shall not be brought into the arena and signage may not obstruct the view of patrons during play.

Balloons are not permitted.

No posters or signs of any kind will be permitted to be adhered to any surface of the arena.

Please make certain all pep, spirit and support organizations are aware of this rule.

Body painting must be done prior to arrival at the arena.

Schools will be penalized for the actions of their students and fans in defacing the restrooms, etc. by applying the paint on arena property.

NOISE MAKERS AND ADDITIONAL FAN ITEMS

No electronic amplification equipment will be allowed in the arena, or any other electronic, mechanical or semi-mechanical noisemaker.

This includes stereos, speakers, cannons, electronic horns, air horns, etc. In addition, no recorded music or other type of reproduction subject to copyright restrictions will be permitted with the exception of that provided by the KHSAA.

FANS, PARENTS AND PLAYERS AFTER THE GAME

Team members cannot leave the floor to go into the stands and meet parents.

Please inform your parents and family members as to your post game procedure for leaving the arena.

It causes unnecessary security problems when fans loiter near the end of the arena waiting for team members and you have already exited via the back entrance.

The school representatives designated on Form GE63 will be contacted should any student member of the cheering (pep) section exhibit conduct such that local police must get involved.

CHEERLEADING INFORMATION

GENERAL CHEERLEADING INFORMATION

There is no cheerleading hospitality room.

Each squad should have a representative responsible for securing the belongings and those may be stored under the end zone cheering (pep) section of seats.

There is a maximum of 20 cheerleaders who may be in uniform and participating on the floor during any tournament game, not including a single individual serving as the mascot.

This limit of cheerleaders is observed whether or not the cheer team is competing in the KHSAA in-game tournament cheerleading competition.

Advancing schools with larger squads may rotate cheerleaders during subsequent games throughout the week if necessary – but not during the game.

For schools without an official cheerleading squad that have other students “leading cheers” for the students, these leaders shall be in school day dress and conduct will be held to an acceptable level of decorum.

Violators of basic decorum and proper conduct within the cheerleaders or cheer leaders will be removed from the arena with no opportunity to return to the contest.

No signs of any kind may be affixed to the permanent arena surfaces or obstruct the view of fans during play.

Cheerleaders may use hand-held signs for cheers when the ball is not live.

Props such as flags, etc., that may potentially obstruct crowd view may not be used during the game, and must be kept out of the arena floor area while the game is in progress.

For any official photograph following the semifinals or finals, a limit of 20 cheerleaders and one mascot may be in the team pictures that are taken by the Association.

Time permitting following the finals, schools may take additional photographs if additional cheerleaders or team members desire to appear.

2024 Mingua Beef Jerky Girls' Sweet 16® Instructions 2024 UK HealthCare Boys' Sweet 16® Instructions

Schools violating these limitations, including limits on number of individuals, mounts, stunts or tumbling will be fined and otherwise penalized in accordance with KHSAA Bylaw 27.

PRE-GAME AND PLAYER INTRODUCTION

Cheerleaders are allowed to cheer on the playing floor during player introductions (in support of the players, not a choreographed performance).

During introductions, no stunts of any type will be allowed as the same restrictions are in place at that time as during the floor cheers.

Introductions will be done with reduced lighting.

CHEERS DURING THE GAME

Cheerleaders will not be allowed on the playing floor after the introductions except for halftime of each first round game as part of the in-game competition.

Floor type cheers may only be done in that team's end zone (when the ball is not live).

All location restrictions, including between free-throw lane lines, shall be enforced during the tournament.

No mounts, stunts or tumbling of any type is permitted during these floor type cheers.

All NFHS rules and restrictions shall be followed during all games of the tournament.

IN-GAME CHEER REGULATIONS AND COMPETITION

An in-game cheer competition is being conducted, under the supervision of specific representatives of the Kentucky Association of Pep Organization Sponsors and not under the jurisdiction of the KHSAA, and further details on this competition are on the KHSAA website.

Cheer regulations in this manual, including all limitations, are in place regardless of a school's desire to participate in the in-game competition.

Schools must notify the KHSAA offices by the close of business on Monday for girls' teams, Thursday for boys' teams if they do not wish to compete in the in-game competition.

All NFHS rules and restrictions shall be followed during the state tournament.

The scoresheet that will be utilized is available on the kapos.org website.

This in-game cheer competition includes all cheer teams competing in the tournament.

Judges will judge the squads throughout the team's first round game, including pre-game, halftime and following the game.

Judging sheets may be picked up after the awards presentation on Friday evening.

A reminder, signs that obstruct the line of site of any patron are prohibited.

Cheerleaders may use hand-held signs both in their cheer and on sidelines when the ball is NOT in play, including timeouts and quarter breaks.

Cheerleaders may not use signs while the ball is in play, which includes during free throws.

Cheerleading hosts will always be available at courtside tables to answer any questions you may have.

All cheer teams must follow the National Federation Spirit Rules as explained in the NFHS Spirit Rules Handbook.

If there are questions about any of those rules related solely to the competition, contact Gwen Saylor, who will manage the competition, at gwen.saylor@kapos.org.

FLOOR CHEERS IN FRONT OF THE CHEERING (PEP) SECTIONS

Floor type cheers may be done in your end zone (when the ball is not live) and will be judged in the "Floor Cheer" category.

No mounts, stunts or tumbling of any type is permitted during these floor type cheers or during player introductions.

In-game cheer judges will be instructed to deduct points in the safety category should mounts, stunts or tumbling be observed.

FIRST ROUND HALFTIME FLOOR CHEERS

KHSAA in-game cheer competition workers will guide the cheer coaches to assist getting them on and off the floor.

During halftime of each first round game, cheer teams may perform two (2) floor cheers of their choosing, which may or may not

2024 Mingua Beef Jerky Girls' Sweet 16® Instructions 2024 UK HealthCare Boys' Sweet 16® Instructions

include gymnastics and shall not exceed 1:30 in total floor time.

Both cheers may utilize a maximum of 20 cheerleaders and must utilize the same 20 cheerleaders in each performance. Visitor cheer teams will be judged first.

Two (2) cheers will be performed back to back.

Both cheers may include stunting, gymnastics, etc. but should be appropriate for game situations and the performance surface. The same individuals must participate in both floor cheers.

Coaches should review the General Risk Management provisions in the NFHS Spirit Rules prior to the competition.

Cheer teams will face AWAY FROM the official scorer's table when performing.

AWARDS FOR IN-GAME CHEER COMPETITION

The top two (2) teams will be recognized on Friday evening of each tournament with presentation of awards taking place at halftime of the first game.

On Friday evening, cheerleaders of teams that are being recognized should come in uniform; however, if cheerleaders cannot be present on Friday night, please appoint someone to represent them.

If you will be receiving an award on Friday evening, your coach will be contacted prior to Friday evening based on the information supplied to the KHSAA on form GE63.
