## ENTRY, LANE ASSIGNMENTS

### TOURNAMENT REGISTRATION, ROSTERS AND ENTRY RESTRICTIONS

There is no minimum number of contests needed to be eligible to compete in the postseason.

Registration for both the regional and, if advancing, state championships takes place online at the Online Tournament Registration link, Arrowscores, listed at the end of this section of these instructions.

The team entry shall be entered into the Online Tournament Registration system a minimum of four (4) days before the tournament.

Coaches must ensure through the Athletic Director that the postseason roster is current on the ArbiterSports page and should include ALL archers that could potentially participate on their KHSAA Regional and/or State teams.

Teams in the region girls' team tournament:

- Are limited to seven (7) to 12 female (as defined in KRS 156.070 (2)(g)(2)) archers only.

Teams in the region boys'/coed team tournament:

- May include seven (7) to 12 archers who may be male or female.
- Any female entered in the boys'/coed team tournament may not also be entered in the girls' tournament, and shall compete in the boys'/coed event for the remainder of the postseason.

A school entering a team may not enter additional competitors as individuals in the same tournament.

The girls' region individual tournament:

- Is limited to female (as defined in KRS 156.070 (2)(g)(2)) archers only with no more than six (6) archers from a school.

The boys'/coed region individual tournament:

- May include up to six (6) male competitors from a school, or may include a combination of up to six (6) males and females from the same school.
- Any female entered in the boys'/coed individual tournament may not also be entered in the girls' tournament, and of entered in the boys'/coed division for regionals, shall compete in the boys'/coed event for the remainder of the postseason.

### FLIGHT AND RANGE ASSIGNMENTS

Range assignments shall be random, made ahead of time and given out to the coaches before arriving at the regional tournament.

The range assignments shall be final.

This shall be sent to all schools before the date of the competition and guides teams and fans to know where to go when they arrive at the site.

### FORMAT OF EVENT

The KHSAA will sponsor boys'/coed and girls' competition for both teams and individuals.

The team score for the regional tournament shall be the best seven (7) scores from those entered.

Each team entered in the team tournament will shoot one (1) flight (three 10-meter scoring ends and three 15-meter scoring ends).

The top seven (7) scores will be combined to determine the team score.

The winning and runner-up team at each regional competition shall advance to the state competition.

In addition, the top three (3) scorers in both the boys'/coed and girls' divisions that are not advancing with a team, shall advance to the state competition as individuals.

### SCORING PROTOCOL

The KHSAA utilizes the NASP scoring protocol.

It is important to teach and practice this process with your archers so they can complete it quickly and accurately, and to make sure that scoring is consistent for all competitions.

A link to the complete scoring protocol is provided at the end of this section of these instructions.

### TEAM COMPETITION TIEBREAKER FOR ADVANCING

Tiebreaking shall begin by counting the number of 10s, 9s, 8s, etc., for the top seven (7) archers of each tied team.

The team that has more 10s will be the winner.

If a tie persists, compare the number of 9s, and so on, through the 1s.

If a tie still persists, it shall remain and all tied teams in an advancing position shall qualify for the state competition.

### INDIVIDUAL COMPETITION TIEBREAKER FOR ADVANCING

Tiebreaking shall begin by counting the number of 10s, 9s, 8s, etc.

The archer who has more 10s will be the winner.

If a tie persists, compare the number of 9s, and so on, through the 1s.

If a tie still persists, it shall remain and all tied archers in an advancing position shall qualify to the state competition.

### TIEBREAKING PROTOCOL FOR STANDINGS

In all sports and sport-activities where tabulated scores are used for placement, once the standings are determined, ties are only broken for first place, and then only if it's specific within the basic rules of competition.

In the event of a tie, all tied competing teams will receive the same place (including the need for ordering duplicate awards) and the next team/individual will receive the position that would be ranked next after all of the ties.

For example, a team finishing 1st, and three teams tied for 2nd would show in the standings as follows:

## 2025 Archery Region Championships Instructions

- 1st place, three in 2nd place and the next team in the standings would be in 5th place.

### POINTS OF EMPHASIS

#### WARM-UP TIME

### ELECTRONIC DATA INSTRUCTIONS FOR MANAGERS

#### SETTING UP THE ONLINE LISTING

You will need to set up two (2) regional tournaments for your region on arrowscores.com.

- 2025 KHSAA Region ## Boys'/Coed Tournament
- 2025 KHSAA Region ## Girls' Tournament

The events must be listed as local events.

You must limit registration to one (1) team per division.

Team size should be restricted to 7-12 archers.

You can only list a high school division (no elementary, middle or individual).

You will need to determine your flight schedule since you will be conducting two (2) events at the same time.

The recommendation would be to alternate flight times (girls' flight then boys'/coed flight) or to conduct all flights for one (1) gender than conduct all flights for the other.

#### MANAGING REGISTRATION

You will need to monitor registration for each event.

- Registration for the girls' tournament is limited to female archers.
- Registration for the boys'/coed tournament is limited to male archers.
- Female archers may be added to the boys'/coed team, but will be scored in the boys'/coed division for all individual awards and advancement.
- As a sanctioned KHSAA event, 7th and 8th graders are eligible to compete in the Regional Tournament.

#### TOURNAMENT DAY MANAGEMENT

Be aware that you have two (2) events going at the same time.

If possible, run each tournament on a separate computer.

If that is not possible, make sure the events are separated in different folders.

Substitutions are allowed on site, but the archer must be listed on the school's KHSAA postseason roster detailed earlier in these instructions.

You can use the team standings by division to determine the winning teams for the events.

Since the girls can advance as individuals from the boys'/coed tournament, you will use "Indiv Standings Overall – All Genders" to determine individual winners from the boys'/coed event.

You can use the Individual Standings Overall from the girls' tournament to determine the girls' individual winners.

In order to advance in either division, a boat must catch a minimum of one legal fish.

Once regional entries are complete on the morning of the regional, staff will advise the managers of the number of advancing boats per region so that all competitors are fully aware at the close of the competition.

It may become necessary due to expansion within regions, to revise this advancement formula, including minimums per region, in the future.

## TENNIS POSTSEASON REGIONAL INSTRUCTIONS

A separate section of these instructions is common to all postseason championships.

This is critical information that is compiled so as to eliminate redundancy.

Use the links in the table of contents or click [here](#) to navigate to the general information for all events.

In an attempt to help hosts, participants and fans, the Association has created these instructions to inform and guide all in this process.

Sport and sport-activity specific instructions for district and region tournaments will be listed first.

The KHSAA wishes all a great postseason.

## KHSAA CONTACT LIST

The primary contact for tennis is Assistant Commissioner Joe Angolia ([jangolia@khsaa.org](mailto:jangolia@khsaa.org)).

If Mr. Angolia is for some reason unavailable, Assistant Commissioner Abby Jackson ([ajackson@khsaa.org](mailto:ajackson@khsaa.org)) is the backup contact.

## REFERENCE TO TEAM ALIGNMENT

Teams are aligned in 16 regions.

The current alignment is available on the tennis page of the KHSAA website and included as a link at the end of this section of the instructions.

If a team that isn't listed in the alignment desires to enter competitors, contact the KHSAA office prior to accepting the entry.

Only schools on the list of aligned teams are eligible to enter a postseason tournament.

## ALLOWABLE COMPETITION DATES

The planned regional tennis tournament window of possible dates are May 5-21.

All region tournaments are to conduct the singles and doubles competition as well as a separate team competition to determine qualifiers for state championships.

If a region or group of schools desire to start regional competition earlier than that window, ensure that all schools are in agreement and report that schedule change to the Association.

A complete list of tournament sites and managers is available on the KHSAA website using the link at the end of this section of these instructions.

The Tennis State Singles and Doubles Championships are scheduled for May 27-29 at multiple sites.

The Tennis State Team Championships will be June 3-4 at multiple sites.

## ENTRY, ROSTERS, SEEDING, DRAW

### PLAYER PROFILE FORM FOR SEEDING

All information (season results, scores, etc.) used for consideration of seeds must be entered through UTR.

### COMPILATION OF ENTRIES

It shall be the duty of the manager to compile entries submitted by the participating teams and supervise the conduct of the seeding and draw in accordance with the wishes of the competing schools.

It is advised that each region have an individual assigned with the responsibility of entering bracket information in the UTR system as well as updating it with results as the event progresses.

### SEEDING AND PROCEDURES FOR REGION TOURNAMENT DRAW

For each region singles and doubles tournament, the number of players seeded shall equal a power of two (For example 2, 4, 6, 8, 16) based on the number of entries in each singles tournament.

The maximum ratio of players seeded shall be one to three.

## 2025 Tennis Regional Tournament Instructions

A draw with 12-23 entries shall have 4 seeds. A draw with 24-47 entries shall have 8 seeds.

| Number of Players/Teams in Draw | Number of Seeds Allowed |
|---------------------------------|-------------------------|
| 2-11                            | 2                       |
| 12-23                           | 4 (or 2)                |
| 24-47                           | 8 (or 4, 2)             |
| 48-64                           | 16 (or 8, 4, 2)         |

UTR information shall be used to gather necessary initial information for seeding consideration.

Seeding shall be based on the All-Factors Method, considering each entrant's chances of winning the tournament and shall consider all reasonably available information, including UTR, recent results, and particularly, head-to-head competition.

UTR is a tool to assist in consideration of seeding.

The Region Manager shall ensure the contestants are seeded.

### BRACKETS/DRAW

The Region Manager shall be responsible for the proper placement of the seeded players in the appropriate bracket, and shall randomly draw the remaining places in the tournament.

The regional draw should follow the regulations set forth by the USTA "Friend at Court" book for seed lines and draw procedure, including the appropriate placement of seeded competitors into the bracket.

In region singles and doubles play, entries from the same school shall be placed in opposite sides of the bracket.

Regional tournaments will utilize a 32-position bracket.

When more than 32 singles or doubles participants are entered, play-in matches will be utilized to advance to the opening round of 32.

- Any necessary play-in matches shall be played prior to the start date of the regional tournament for the round of 32.
- Entrants for the play-in matches will be decided by a blind draw from the non-seeded players.
- The bracket line at which the play-in match or matches feed into the 32-position bracket will be decided by a blind draw at the time the bracket is created.

### FORM TN115 - TEAM ENTRY

Form TN115 must be completed and submitted to your respective Region Manager for the team tournament. The form is included as a link at the end of this section of the instructions.

Schools must have a minimum of five (5) players to enter the team tournament. This roster of team members may not be changed once submitted to the regional manager.

Members playing in the singles and doubles championships may also represent the member school in the team championship series.

This form must be completed prior to the regional draw meeting.

Unless the participating teams in the region, by majority vote, approve and alternate bracket placement method, the regional manager shall conduct a blind draw for pairings.

Coaches are to rank (based on strength) their entrants, from 1 to 10 (1 being the strongest).

Schools must have a minimum of five (5) players to enter the team tournament.

The default format of the event is three singles and two doubles matches.

Teams may enter that can only fill four of the slots, but will forfeit the open match.

### KHSAA FORM TN112 - TEAM LINE-UP CARD FORM

This form must be submitted to the regional and/or state tournament Director one hour prior to play.

Using the TN112, please list those participants that will play both singles and doubles for that particular match.

Be careful to remember the strength of participants must be consistent on both the TN115 and TN112 forms.

## ORDER OF PLAY

Your strength of roster should be consistent with lineups played through the season.

Stacking is not permitted.

- Documented cases of "stacking" to gain an advantage will be penalized under Bylaw 21 (Sportsmanship) against the head coach.

For doubles play, the combined total of each pairing must be played in order of strength (i.e., players submitted 4/6 could not play behind a pairing ranked 5/7).

UTR information shall be used to gather necessary initial information for Strength of Roster, but can be reviewed during the region seeding meeting if challenged and examined with consideration of additional factors (results, outliers, injuries, etc.).

## FORFEIT

Should a team forfeit a court during the team tournament, it would be either the No. 3 singles or No. 2 doubles.

If a team forfeits a court when submitting a lineup prior to the match, the opposing team can resubmit its lineup with the knowledge that the other team is forfeiting the court (but cannot view the other team's lineup).

If a team that isn't listed in the alignment desires to enter, contact the KHSAA office prior to accepting the entry.

### ALLOWABLE COMPETITION DATES

The dates for the regional track & field meets are May 5-21.

- If no agreement can be reached due to conflicts, the KHSAA will mediate disputes.

If a weekday is selected to hold the meet, and any school is in session that day, the meet shall be held after 3 p.m., to avoid conflict with instructional time.

Efforts should be made to avoid conflict with the actual graduation exercises.

The host shall set the starting time for each regional meet and send to all schools involved for them to agree to. Each regional meet shall be conducted in one (1) session.

All field events shall begin at the same time, with the exception of pole vault if your region has alternate plans.

- If your region plans to do pole vault at an alternate time, please notify Tim King and Assistant Commissioner Bridenbaugh by email prior to your regional.

It is impossible to avoid all conflicts, but Region Managers are to afford member schools the same courtesies they would expect.

A complete list of tournament sites and managers is available on the KHSAA website using the link at the end of this section of the instructions.

The games committee has determined that 12 minutes is the check-in/out time limit.

No meet may be conducted by the schools after the region is complete.

For relay events, coaches should enter up to eight (8) student-athletes (includes four (4) alternates).

If an athlete is not listed in the regional meet entries, that athlete cannot be added for the state meet should the relay team qualify.

There are no substitutions for any reason, including relays.

### VERIFICATION OF ENTRY TIMES

Nothing is more important to the integrity of the seeding process than accurate entry times.

Member schools are responsible for ensuring that accurate times are entered and times can only be used from an outdoor varsity

- All HT times shall be properly converted per NFHS Rule 3-9-4.
- If any HT is recorded in hundredths, it shall be rounded up to the nearest tenth of a second, and properly noted as a HT.
- Any time which cannot be verified, cannot be used.
- The only acceptable verification of meet results will be submission by using the link listed in these instructions.
- Entries shall only be verified by using this link to the site.
- All meet result submissions shall include the name of the meet official (Referee) and the meet date.

### TEAM DATA ENTRY INFORMATION

You shall send your entries electronically to the Region Manager through Milesplit using the directions previously discussed.

You do not need to send an entry form to the KHSAA and do not need to fill out a paper entry form if your electronic entry is successfully received.

Any results that have not been uploaded using the link listed in these instructions (four (4) days before the scheduled regional) are void for purposes of meet verification.

As of 2025, there are no minimum requirements for pole vault entry.

### POINTS OF EMPHASIS

#### FORMAT OF EVENT

NFHS rules will be used without exception.

The Region Manager has the discretion as to which gender will compete first in each event.

Make sure athletes are aware of the "check-out" procedure should they need to compete in another event.

Following the closing of the pit/ring and the announcing of the finalists, the finals would begin within the 10-minute time period.

#### HYDRATION REMINDER

Coaches should remain aware of the need for proper hydration of athletes prior to the beginning of competition.

Coaches and athletes are reminded to bring their own water bottles.

#### DECLARATION AND ENTRY OF PARTICIPANTS

Listing a student-athlete on the entry form does not count as one of their events unless they actually report to the clerk.

Being listed as an alternate in a relay does not count as one of the events for the athlete against the four-event limit.

Being listed as an alternate does not count as one of the athlete's events unless that athlete reports to the clerk for that relay.

Only those relay contestants who actually participate will be considered official entries.

All scratch/add provisions at the regions shall adhere to the published state deadlines.

In the Regional Meet, a contestant may not be substituted for the original entry prior to the time of the event involved, unless the reason for change is justified by injury or illness only and approved by the Assistant Commissioner.

#### NOTES ABOUT RELAYS

Eight (8) participants may be named to a relay team, any four (4) of whom may be used in the preliminaries or in the finals.

The same eight (8) individuals are the only athletes eligible to be entered in that relay race at the state meet.

Coaches should list a maximum of eight (8) individuals on the relay entry, and then shall declare the runners that will run prior to each race.

Relay entrants shall be the same from the Regional Meet to the State Meet.

No other names can be added after the deadline for regional entries for any reason.

The four (4) athletes that run in the trials and the finals do not have to be the same, they simply have to be four (4) of the eight (8) athletes that are listed on the relay entries.

#### CONDUCT OF MEET AND ADVANCEMENT

Any race where the initial leg (or total race) is 400 meters or less shall be started with blocks, and all competitors shall be required to properly use them.

All individuals placing sixth or higher in each event shall score team points in the regional meet, with values 10-8-6-4-2-1.

The regional meet shall be made up of all of the events on the regional entry form.

No preliminaries will be conducted.

All running events will be timed-final events, broken into sections according to NFHS rules.

The fast section in all races shall be full, even if this leaves a single competitor in the slower heat.

If a runner in the fast heat failed to report or was scratched, the regional manager is to re-fill the lanes in the fast heat.

The hurdle height for the girls 100m hurdles is 33", the boys 100m hurdles is 39".

The hurdle height for the girls 300m hurdles is 30", the boys 300m hurdles is 36".

In the case of a tie in field events, if all tie breaking procedures fail to break the tie, according to the National Federation Rule Book, competitors tying for second in the regional shall advance to the state meet.

### WIRELESS COMMUNICATION

Coaches shall comply with all NFHS rules regarding communication during meets.

The use of wireless communication devices by coaches and competitors is prohibited.

This includes cell phone usage at the site between competitors and competitors, competitors and coaches, coaches and coaches, as well as all participants and fans.

### REFEREE BRIEFING

All referees shall conduct a briefing before the meet as required by rule as one of the most important roles of the referee is to make sure all information is imparted to the coaches and participants.

This briefing should involve an explanation of sportsmanship expectations as well as other points required by rule.

The Region Manager, referee and all officials should have a constant emphasis on safety.

### DISQUALIFICATIONS AND UNSPORTSMANLIKE INCIDENTS

Referees are to report all disqualifications (from the meet) for unsportsmanlike conduct (resulting in ejection) in regional meets by turning them in via the KHSAA website.

Event disqualifications related to the competition should be reported by the referee using KHSAA Form TR117 and should be emailed to the KHSAA immediately following the meet ([dqs@khsaa.org](mailto:dqs@khsaa.org)).

## FIELD EVENT NOTES

### POLE VAULT

As of 2025, there are no minimum requirements for an athlete desiring to enter the pole vault competition prior to the regional meet.

**\*IMPORTANT\*:** Schools desiring to enter athletes in the pole vault shall have a coach with proof of completion of the Pole Vault Coaching Certification Course managed through [pvscb.com](http://pvscb.com) or [NFHSLearn.com](http://NFHSLearn.com).

An updated list of current pole vault coaches can be found on the KHSAA website.

The manager shall contact the KHSAA office if you have entries from schools without a certified coach.

The manager and referee shall make sure that all safety rules are followed.

The contestants in pole vault shall weigh-in and their weight shall be at or below the manufacturer's pole weight limit.

The head field judge and/or referee will have a scale, provided by the host school, and must check weight when the pole vaulters check-in.

Officials are to ensure that pole vaulters are not oversized for the poles they use.

Pole ratings shall be visible in a one-inch contrasting color, as well as a one-inch circular band indicating the maximum top hand hold position.

Pole rating markings are to be located above the hand hold.

Variable weight poles are not permitted.

Training poles shall not be used in warm-ups or competition in the pole vault.

Any pole not properly marked will be considered illegal equipment.

If a vaulter attempts to use an illegal pole, the individual will not be allowed to compete until a legal pole is secured.

If during competition a vaulter is discovered using an illegal pole, the vaulter shall be immediately disqualified from the event.

Illegal poles will be marked and impounded and coaches notified that they can be reclaimed at the conclusion of the event.

The Region Manager, in agreement with all competing teams, shall make a decision on a pole vault coaching box based on the site. The state meet will not have a "coaching box" inside the track.

At the regional, meet management can make the decision on whether to have the coaching box based on their pole vault location and venue set-up.

### SHOT PUT AND DISCUS

The manager and referee shall check to make sure that the 34.92-degree sector is used and that the discus cage meets specifications.

Contestants may use their own shot put or discus at the regional meet provided they pass inspection.

Implements shall be checked-in, weighed and marked prior to the event (to be published by the regional manager, typically 30 minutes).

Illegal implements will be marked and impounded and coaches notified that they can be reclaimed at the conclusion of the event.

A legal shot and discus shall be provided for use by competitors, in the case that athletes do not have their own.

The manager and Referee shall make sure that spectators cannot get near the throwing areas and that athletes stay behind the cages.

Referees are to make sure that all throwing implements are weighed correctly.

If an athlete weighs-in his/her implement, it then becomes a "common" implement and may be used by any athlete in the competition.

If an athlete misses the weigh-in/inspection period of their implement, they shall use a common implement provided by the host school or another athlete.

### PROCEDURE FOR GETTING OFFICIALS AND FEES

A minimum of three (3) KHSAA assigned meet officials, two (2) referees and one (1) starter, will be assigned from the pool of licensed KHSAA officials.

Each Region Manager will be sent the assignments from Assistant Commissioner Bridenbaugh, which will also be published on the KHSAA website.

Each regional referee that is assigned, along with the meet starter, shall be a licensed KHSAA Track & Field official.

The primary meet officials (referees) are to be paid \$115 per classification (one (1) region, boys and girls).

For regional meets having to conduct satellite site field events (i.e. Pole Vault), a separate and nominal fee shall be charged to compensate the officials.

Additional fees may be necessary for the starter bullets as well.

Those regional officials traveling greater than 100 miles one way would be paid an additional \$30.

Additional postseason allowances for lodging, etc., shall be at the discretion of the meet manager and shall be approved by the Commissioner prior to the meet.

Refer all conflicts regarding mileage or other payments of officials to the KHSAA office.

### MEDICAL PROVISIONS

If an athlete must use an inhaler or have one available, KHSAA Form TR120 must be completed and presented to the referee during the pre-race meeting.

This form should be duplicated as the officials have been instructed to keep one on file to have documentation at the end of the event, if needed.

## TRACK AND FIELD HY-TEK INSTRUCTIONS FOR REGION MANAGERS

### ELECTRONIC DATA INSTRUCTIONS FOR REGION MANAGERS

#### HY-TEK SUPPORT TEAM

Many individuals have assembled a Hy-Tek support team for regionals.

You should feel free to contact any of these managers with your questions.

This is by no means an exhaustive list and there are many individuals willing and able to help.

#### HY-TEK TIPS AND SUGGESTIONS FOR REGIONAL MANAGERS

All regions must use Hy-Tek and must download the data files from the KHSAA website.

The data files and event files are available on the track page of the KHSAA website.

Do not use your own data file or change the team/school names.

The usage of this file, with the appropriate school names and abbreviations, is important for successful transmission to the state entries.

Save the file to your local drive (remember where you save it).

This is made simpler by downloading the mdb version of the file, which will not require de-compression.

The mdb file should be saved directly into the c:\tfmeets directory.

If you are using a ZIP file:

- File
- Restore
- Click second dot Unzip and copy database to C:\tfmeets (You can check the last box and rename your database whatever you want but you don't have to)
- OK
- Look in: A: drive or wherever you saved the file
- Click the correct Tfmmbkup file
- OPEN
- OK
- OK
- Once the file has been saved or unzipped
- FILE
- OPENNEW
- Look in \TFMEETS for the database file name
- Click on the correct file name
- OPEN and now you can use the database for your meet

Once you receive the information file, you will need to make a few changes to your setup and use these suggestions.

#### Meet Setup

- Go to SETUP
- Meet Setup Input the name, location and date of your regional
- For those regions who are hand-timing ONLY BECAUSE OF AUTOMATED TIMING FAILURE

- Entry/Scoring Preferences Click on Entries/Results Check "round up results to tenths for reports"
- Entry Limits check "Maximum entries per athlete including relays" enter 4
- Since all regions will be using FAT times, it is imperative if the automatic timing system fails, backup times should be entered with an "h" on the end of the time

### Scoring Setup

- You should need to make no changes to the data file regarding scoring

### IMPORTANT DATA NOTES ABOUT RELAY ENTRIES

Do not delete alternates!

This procedure will ensure the full listing of available athletes is incorporated into state meet entries.

### INSTRUCTIONS FOR HY-TEK UNIFIED ENTRIES

Check your database to make sure that:

- In athlete/relay preferences: allow A relays only should be unchecked
- In Division/Region Names – Divisions: 1) HS High School; 2) UN Unified; and , 3) WH Wheelchair
- Event 44 says 400 m Shuttle Relay (after import- go to the event and change it to just regular relay)

Make sure you get the required [Form TR124](#) from each team that has entries in Milesplit Unified division that includes the special athlete/grade and the partner athlete/grade for each event entered. If you do not have this, contact Assistant Commissioner Bridenbaugh.

Special athletes cannot compete in more than four (4) events (there is no restriction on the partner athlete in unified).

- Import the Milesplit file normally as Semi-Colon Delimited Rosters/Entries
- If you get an exception on the unified relays (C - sex missing) open the text import file from Milesplit and change the C's (after the relay name A, B, C. etc.) to x
- Then import again.
- See the before and after practice test files below:

Before:

## 2025 Track & Field Hy-Tek Instructions for Region Managers

After:

After you seed the events, you will need to rearrange the unified shot put and long jump as it does NOT keep the pairs together. Using the Google Form, put the special athletes in the odd numbered slots, with their matching partners in the even numbered slots

Then, if you want to, you can move the pairs down to separate them as seen below:

As for the unified relays, don't be alarmed if you see teams with multiple entries there – A, B, C, etc.; this is allowed for unified. Just make sure you don't have teams with multiple entries in the regular relays.

When the unified long jump and shot put are finished, add the distances of the special athlete and the partner pairs (sometimes the officials have already done this).

Put the result under the special athlete's name and put the partner's name in the "result note."

## 2025 Track & Field Hy-Tek Instructions for Region Managers

Right click in the finals mark area of that special athlete's line to access the result note.

Put DNS for each of the partners. DO NOT DELETE THE PARTNERS:

When printing results from the Reports Menu, make sure that you have "no shows" UNCHECKED.

When printing from the Run Screen, go to the Preferences Menu and click "Results for List and Score."

"No shows" should be UNCHECKED.

For web results, go to the Preferences Menu and click "Web Real Time."

Again, "no shows" should be UNCHECKED as seen in the samples below:

[illegible]

The screenshot shows the 'Work Item Time Performance' dialog box in JIRA. The dialog is open over a JIRA dashboard. The 'Include in Work Item Performance Links' section has 'Standard' checked. The 'Include in Results' section has 'Standard' checked. The 'Results by Work Item and Completed' section has 'Date and Time' checked. The background shows a JIRA dashboard with a 'Work Item Time Performance' table and a 'Work Item Time Performance' chart.

When the meet is completed, email all results with the backup to [trresults@khsaa.org](mailto:trresults@khsaa.org).

**\*\*Remember, do not delete ANY of the relay names or partners.**

If you have any problems, feel free to email ([sarrett1@gmail.com](mailto:sarrett1@gmail.com)) or call (502-396-4740 –Leave a message if no answer and she will get back to you as quick as possible).

### ADDITIONAL INSTRUCTIONS TO PREPARE FOR YOUR MEET

After the meet is over, you are to email the results of your meet to the KHSAA, using the link in these instructions after using the applicable Hy-Tek functions to make a backup.

When the meet is completed, you need to send an attachment with the backup file of the meet to [trresults@khsaa.org](mailto:trresults@khsaa.org).

Keep in mind that this is more than just printing results as you might do if you were going to post your information on the listserv.

Please go through the following listing and ensure that the proper steps have been taken and data adjusted.

## SET-UP MENU

## RELAY NAMES

Move the four (4) competed at region up to the first four (4) positions.

It is imperative that the other four (4) remain in the relay so they will be imported to the state meet.

DO NOT DELETE RELAY NAMES, EVEN ALTERNATES.

For scratches, enter R for SCR.

Do not delete non-competitors.

For DQ or JD comments, right click on the person's name to enter a comment.

Sometimes when using Finish Lynx, it locks up.

Try clicking Next Event, then Previous Event.

Also, try clicking List before Score.

### BASEBALL POSTSEASON DISTRICT/REGIONAL INSTRUCTIONS

A separate section of these instructions is common to all postseason championships.

This is critical information that is compiled so as to eliminate redundancy.

Use the links in the table of contents or click [here](#) to navigate to the general information for all events.

In an attempt to help hosts, participants and fans, the Association has created these instructions to inform and guide all in this process.

Sport and sport-activity specific instructions for district and region tournaments will be listed first.

The KHSAA wishes all a great postseason.

### KHSAA CONTACT LIST

The primary contact for baseball is Associate Commissioner Butch Cope ([bcope@khsaa.org](mailto:bcope@khsaa.org)).

If Mr. Cope is not available, Assistant Commissioner Abby Jackson ([ajackson@khsaa.org](mailto:ajackson@khsaa.org)) is the backup contact.

### REFERENCE TO TEAM ALIGNMENT

Teams are aligned into 64 districts within 16 regions.

The current alignment is available on the baseball page of the KHSAA website and included as a link at the end of this section of the instructions.

Only schools on the list of aligned teams are eligible to enter a postseason tournament.

If a school that isn't listed in the alignment desires to enter, contact the KHSAA office prior to accepting the entry.

### ALLOWABLE COMPETITION DATES

District Tournament may begin May 19.

District members can vote by majority to play the weekend prior should they choose.

Region Tournament may begin as early as May 26 and are to be concluded no later than May 31.

In addition, regions can vote majority to play the weekend prior should they choose.

### ENTRY, ROSTERS, LIMITATIONS AND DRAW

#### TOURNAMENT ENTRY

All eligible teams participate in a district tournament.

The winner and runner-up from each district advance to a regional tournament.

#### PLAYERS IN UNIFORM AND IN DUGOUT

Up to twenty-one (21) players may be designated as eligible for each postseason game from the roster submitted online and no other players may be in uniform.

Substitutions to the twenty-one (21) that dress may be made, but they must be listed on the postseason roster.

Only the twenty-one (21) players in uniform for that game and the team's coaches are permitted on the field for warm-ups and infield practice.

The Tournament Manager at each site may limit the total number of participants in the dugouts which may not exceed thirty (30) for any postseason contest to include all players, coaches and staff.

No Tournament Manager or group of schools may vote to waive these restrictions.

#### PROCEDURE FOR DISTRICT TOURNAMENT DRAW

Each district tournament shall draw (or place if seeded) teams into the appropriate bracket depending upon how many teams are in the district.

- For 2025, districts 21, 22, 23 and 24 will not have a district draw, but the seeded position will determine district standings and for the draw in the 6th Region tournament.

## 2025 Baseball District/Regional Tournament Instructions

The team in the upper half of the bracket in a non-seeded tournament will be the home team and wear light-colored jerseys.

If a tournament is seeded, the highest seed shall be the home team and wear light-colored jerseys.

You must get permission from the KHSAA to start later than May 19 and only in the event of facility conflicts.

Schools are reminded that the Heat Index Program is to be followed.

Heat issues should be considered in regard to scheduling contests and the time of day.

The District Manager is to email the bracket to the KHSAA ([brackets@khsaa.org](mailto:brackets@khsaa.org)) and media outlets immediately following the draw.

A link to all KHSAA brackets is available at the end of this section of these instructions.

### PROCEDURE FOR REGIONAL TOURNAMENT DRAW

Review the tournament rules concerning a region draw, which make it impossible for a winner and corresponding runner-up in a district to meet before the final region game.

Each region shall draw teams into the standard region bracket, which can be obtained via the KHSAA website or at the link at the end of this section of these instructions.

The draw should first place the four (4) district winners in their respective bracket positions.

The draw should then place the two (2) district runners-up in the top bracket that are not in the two (2) regions that drew into the top bracket.

The placement concludes with the draw of the two (2) remaining district runners-up in the bottom bracket that are not in the two (2) districts that drew into the bottom bracket.

The team in the upper half of the bracket will be the home team and wear light-colored jerseys.

You must get permission from the KHSAA to start later than May 27 and only in the event of facility conflicts.

Schools are reminded that the Heat Index Program is to be followed.

Heat issues should be considered in regard to scheduling contests and the time of day.

The Region Manager is to email the bracket to the KHSAA ([brackets@khsaa.org](mailto:brackets@khsaa.org)) and media outlets immediately following the draw.

The host school is responsible for game entry in Arbiter using the tournament builder.

Assigners are not to enter games.

Assigners will be able to see games once entered by the host school.

A link to all KHSAA brackets is available at the end of this section of these instructions.

### POINTS OF EMPHASIS

#### FORMAT OF EVENT

District and Regional Tournaments are single-elimination events and NFHS playing rules will be used without exception.

District tournament pairings are set by seeding procedures as approved by the member schools or through a blind draw.

Regional tournament pairings are conducted as outlined above.

#### FIELD SPECIFICATIONS

Prepare the facility for tournament play, making sure to use the proper specifications set forth in the National Federation Baseball Rules Book.

Ensure the site is compliant with the Minimum Facility Requirements, as set by the KHSAA Board of Control for each level of the postseason. A link to the postseason site specs is available at the end of this section of these instructions.

In addition, host sites are not precluded from host specifications that were not known prior to the decision of the schools when the site rotation plan was approved.

### PLAYING SCHEDULE REGULATIONS

Tournaments shall not start prior to 3:30 p.m. on a school day.

### REQUIRED BALL TYPE

Spalding is the official baseball of the KHSAA.

For district, regional, and state tournament play, a Spalding ball must be used that also includes the NFHS Authenticating mark (this is different from the KHSAA logo).

There is no requirement that the ball contain a KHSAA logo, however all NFHS rules must be complied with regardless of brand. The Spalding WC4100HS with the NFHS authenticating mark and the NOCSAW mark (NFHS Playing Rule) is a legal ball for play in postseason.

Violations of this policy will result in penalties under Bylaw 27 including but not limited to, a maximum fine for the school in noncompliance.

### PITCH COUNT REGULATION

There will be no adjustment to the pitching limitation as published on the KHSAA website.

The host site is responsible for the designated pitch count recorder.

It is advisable that the pitch count recorder be the same individual throughout the tournament.

If one is not assigned, then the home team is responsible for tabulating pitches thrown and the unaltered home book shall be considered the official count.

Pitch counts should be verified each half inning as that is the last opportunity to challenge the pitch counts.

Local managers, at the approval of those in the tournament, may choose to make this a paid position (like PA, scorer, gate worker, etc.).

Game totals shall be submitted following the game through the use of GameChanger, as was the practice during the regular season, and may only be altered in the case of documented clerical errors after consultation with the KHSAA.

### INFIELD PRACTICE

There will be a limit of 10 minutes per team for infield practice.

Teams are restricted to their dugout area while the opposing team is taking infield practice.

### SPEED-UP RULES - RUN RULES AND COURTESY RUNNERS

In accordance with National Federation Baseball Rule 4-2-2 and the Board adopted policies, the game shall end when the losing team is behind 10 or more runs and has had at least five (5) turns at bat, or behind 15 runs after 2 1/2 or three (3) innings.

The speed-up rule allowing for a courtesy runner for the pitcher and catcher when they reach base will be used in all postseason games.

### PITCHER WARM-UP AREA

## SOFTBALL POSTSEASON DISTRICT/REGIONAL INSTRUCTIONS

A separate section of these instructions is common to all postseason championships.

Use the links in the table of contents or click [here](#) to navigate to the general information for all events.

In an attempt to help hosts, participants and fans, the Association has created these instructions to inform and guide all in this process.

Sport and sport-activity specific instructions for district and region tournaments will be listed first.

The KHSAA wishes all a great postseason.

## KHSAA CONTACT LIST

The primary contact for softball is Assistant Commissioner Darren Bilberry ([dbilberry@khsaa.org](mailto:dbilberry@khsaa.org))

If Mr. Bilberry is not available, Assistant Commissioner Sarah Bridenbaugh ([sbridenbaugh@khsaa.org](mailto:sbridenbaugh@khsaa.org)) is the backup contact.

Media related questions should be directed to the Media Relations and Publications Director, Connor Link ([clink@khsaa.org](mailto:clink@khsaa.org)).

## REFERENCE TO TEAM ALIGNMENT

Teams are aligned into 64 districts within 16 regions.

The current alignment is available on the softball page of the KHSAA website and included as a link at the end of this section of these instructions.

Only schools on the list of aligned teams are eligible to enter a postseason tournament.

If a school that isn't listed in the alignment desires to enter, contact the KHSAA office prior to accepting the entry.

## ALLOWABLE COMPETITION DATES

District Tournament may begin May 19.

District members can vote by majority to play the weekend prior should they choose.

Region Tournament may begin as early as May 26 and are to be concluded no later than May 31.

In addition, regions can vote majority to play the weekend prior should they choose.

## ENTRY, ROSTERS, LIMITATIONS AND DRAW

### TOURNAMENT ENTRY

All eligible teams participate in a district tournament.

The winner and runner-up from each district advance to a regional tournament.

### PLAYERS IN UNIFORM AND IN DUGOUT

Up to twenty-one (21) players may be designated as eligible for each postseason game from the roster submitted online and no other players may be in uniform.

Substitutions to the twenty-one (21) that dress may be made, but they must be listed on the postseason roster.

Only the twenty-one (21) players in uniform for that game and the team's coaches are permitted on the field for warm-ups and infield practice.

The Tournament Manager at each site may limit the total number of participants in the dugouts which may not exceed thirty (30) for any postseason contest to include all players, coaches and staff.

No Tournament Manager or group of schools may vote to waive these restrictions.

### PROCEDURE FOR DISTRICT TOURNAMENT DRAW

Each district tournament shall draw (or place if seeded) teams into the appropriate bracket depending upon how many teams are in the district.

- For 2025, districts 21, 22, 23 and 24 will not have a district draw, but the seeded position will determine district standings and for the draw in the 6th Region tournament.

## 2025 Softball District/Regional Tournament Instructions

The team in the upper half of the bracket in a non-seeded tournament will be the home team and wear light-colored jerseys.

If a tournament is seeded, the highest seed shall be the home team and wear light-colored jerseys.

You must get permission from the KHSAA to start later than Monday, May 19 and only in the event of facility conflicts.

Schools are reminded that the Wet Bulb Globe Heat Monitoring program is to be followed.

The District Manager is to email the bracket to the KHSAA ([brackets@khsaa.org](mailto:brackets@khsaa.org)) and media outlets immediately following the draw.

A link to all KHSAA brackets is available at the end of this section of these instructions.

### PROCEDURE FOR REGIONAL TOURNAMENT DRAW

Review the tournament rules concerning a region draw, which make it impossible for a winner and corresponding runner-up in a district to meet before the final region game.

Each region shall draw teams into the standard region bracket, which can be obtained via the KHSAA website or at the link at the end of this section of these instructions.

The draw should first place the four (4) district winners in their respective bracket positions.

The draw should then place the two (2) district runners-up in the top bracket that are not in the two (2) regions that drew into the top bracket.

The placement concludes with the draw of the two (2) remaining district runners-up in the bottom bracket that are not in the two (2) districts that drew into the bottom bracket.

The team in the upper half of the bracket will be the home team and wear light-colored jerseys.

You must get permission from the KHSAA to start later than Tuesday, May 27 and only in the event of facility conflicts.

## GENERAL FOR ALL SPORTS AND SPORT ACTIVITIES

### BRIEF WELCOME

Congratulations and good luck in the upcoming postseason play.

The KHSAA wishes to help guide our district and region managers as well as inform and educate all our postseason participants and fans.

Please read over these detailed instructions carefully as it contains information regarding protocols, dates, weather, venue guidelines, tickets, as well as important forms and links..

### SUPERSEDURE NOTE

The information in these instructions supersedes any information previously distributed.

All involved should review items such as tiebreakers and procedures for competition and consider this document authoritative.

Contact the primary event contact with any additional questions.

### CONTAGIOUS DISEASE / COVID-19 GUIDANCE

Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of illness should stay home.

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine.

### DUTIES SUMMARY STATEMENT

Refer to the Kentucky High School Athletic Association Handbook as well as previously distributed materials from the KHSAA including the coaches rule clinic videos for rules and regulations.

You should familiarize yourself and review these guidelines at your pre-event meetings to ensure understanding from the coaches to aid in the management of a smooth event.

Any required forms for your reports are included as links throughout this document or inside the specific sport or activity section.

### MANAGER'S RESPONSIBILITIES

### **INITIAL EVENT MANAGER FORMS - GE55 & GE56**

Both forms detail out manager contact, host location, draw - date, time and site - and the planned date for the start of the event.

District Tournament Managers need to fill out GE55 and once submitted, should any changes arise, the manager should alert the KHSAA staff.

Region Tournament Managers need to fill out GE56 and also alert KHSAA staff of any changes after the form has been submitted.

### **SITE SELECTION FORMS - GE57 & GE58**

Discussion of future district and region sites is encouraged during the pre-tournament meeting with a clear plan on filling out GE57 or GE58.

Both forms set up a four-year proposal of hosts sights.

In selecting future sites, where sport applicable, it is important to ensure venues are compliant with the Minimum Facility Requirements as set by the KHSAA Board of Control for each level of the postseason. Site specific specs are available as links in the sport specific section of these instructions.

In addition, host sites are not precluded from host specifications that were not known prior to the decision of the schools when the site rotation plan was approved.

### **APPLICATION FOR HOSTING FORM - GE59**

For participants of individual or sport activities, if interested in hosting a region championship event, please fill out the GE59 form, which is online and a link at the end of this general section.

In submitting an application, it is important to ensure venues are compliant with the Minimum Facility Requirements as set by the KHSAA Board of Control for each level of the postseason. Site specific specs are available as links in the sport specific section of these instructions.

In addition, host sites are not precluded from host specifications that were not known prior to the decision of the schools when the site rotation plan was approved.

### **COMPETITION COSTS AND FINANCES FORMS - GE52, GE53 & GE51**

Finances and expenses are handled by the host school within policies adopted by the member schools.

At the conclusion of the respective tournaments, District Managers need to fill out and submit GE52, Region Managers of Team Sports use GE53 and Region Managers of an Individual Sport or Sport Activity do the same with GE51.

Schools competing at the competition shall agree, in advance, to all financial provisions for the distribution of proceeds or allocation of loss.

Managers may require an advance payment from each competing school to be prepared for costs in advance of the competition and if such is required, shall fully disclose any plan for return of excess of fees over expenses when reconciling the event.

Revenue, after expenses for workers, judges/officials, trophies, awards and other approved expenses, will be directed back to the host school for distribution per local agreement.

If there is a dispute, contact the Commissioner's office.

### **CONTACT PARTICIPATING SCHOOLS**

Managers should contact all schools in your district or region to inform them of your competition schedule, ticketing details and other pertinent information.

### **DEVELOPMENT OF INFO DOCUMENT FOR PARTICIPANTS**

Managers should develop an information document for participants, including the schedule of events as set by the KHSAA, any

on-site meeting information, site specifics and directions to the venue.

### **OUTSIDE PROVIDERS/VENDORS**

Managers should contact security and other outside providers/vendors and ensure that all other pre-tournament functions are complete.

### **HOST SITE ADMINISTRATOR**

The KHSAA requires a competition administrator, other than the coach, at the host site, as the coach needs to devote full attention to the team.

### **LIGHTNING/THUNDER POLICY**

The District or Region Manager of any outdoor sports or activities, or indoor sports with non-grounded pools, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder.

All competitions shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

The detailed medical policies are online and a link at the end of this general section.

### **STOPPAGE/POSTPONEMENT**

It's the duty of the postseason manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding resumption or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified.

For tournaments with brackets and scores reported to the KHSAA scoreboard, the Tournament Manager shall also report the revisions to [brackets@khsaa.org](mailto:brackets@khsaa.org) to ensure the Rihards.com/KHSAA Scoreboard is updated.

While it's imperative that the managers adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.

Unless approved in consultation with the designated sport contact, all events shall be completed by the last listed available date.

### **TICKETS AND FAN ADMISSION**

For all KHSAA championship play:

- It is recommended to use GoFan digital ticketing, the digital ticketing service of the KHSAA.
- There should be no paper tickets sold at walk-up gate.
- Only the KHSAA issued Commonwealth Card should be honored for admission for one individual plus a guest.
  - Entrance with these cards should be at the pass/team entry gate only, not with ticketed admission.
- A link to GoFan's training page is included as a link at the end of this general section.

## **PRE-COMPETITION MEETING**

### **PRE-TOURNAMENT MEETINGS**

It is recommended that a meeting of all coaches and athletic administrators be held prior to the start of the competition to discuss rules and procedures to help ensure a smooth event.

The use of a virtual meeting is permitted and recommended.

### VENUE LOGISTICS

#### SITE SPECIFICATIONS

Prepare the facility for competition, thinking through all needs of warm-up and such for this sport or activity.

Managers are responsible for securing an individual to perform duties necessary to run the event properly, (ie public address, score sheets, timers, etc.).

Managers in data intensive sports must find qualified individuals to perform those functions including result submission.

Set up of benches or areas for the team specific to the sport or activity.

Internet access is required for the submission of final results to the KHSAA.

Coaches and athletes are reminded to bring their own water bottles as no community dispensers are to be used.

#### ENTERING HOST SITE

Coaches and administrators should be given direct details about how to enter the host site.

This will allow for more organization throughout the competition.

#### SIGNAGE, NOISEMAKERS, BALLOONS AND MUSIC

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate competition management cues are not permitted to include, but not be limited to:

- Indoor
  - o Air horns
  - o Electronic amplifiers
  - o Portable sound systems
  - o Whistles
  - o Game clock horns simulator
- Outdoor
  - o Air horns

- o Whistles
- o Game clock horns simulator

Managers should confiscate items if used with the managers determining if they are returned post championship.

Balloons, which can block the view of other patrons, are NOT PERMITTED at the event. They should be popped or returned to a vehicle, not allowed into the venue.

Only venue provided amplified music is permissible, but only during pre-event, natural and planned breaks/timeouts.

### ENTRY OF SERVICE ANIMALS

Service animals are important and valued professionals that serve the needs of owners and must be present at all times.

Because service animals are essential for specific individuals, we wanted to make all attendees aware of the definitions and guidelines in place to make certain service animals present as well as to ensure the well-being of all individuals in attendance at KHSAA championship events.

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided to the animal and service for which it provides.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1,000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

### SECURITY

It is the responsibility of the Tournament Manager to secure adequate police protection and other security precautions as necessary.

While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision.

The National Federation continues to remind all state associations of the importance of member schools understanding the necessity for adequate security.

Crowd control is important and we ask schools to take every precaution to protect the athletes, fans and general public. The Tournament Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited.

After the games, have the officials escorted to the locker room and/or parking lot.

While acknowledging the expense of security, it is noted that this shall be an integral part of your planning process and is a KHSAA requirement at postseason contests.

### EMERGENCY ACTION PLAN

Each Tournament Manager is expected to have and maintain an emergency action plan that should be distributed to all teams and incorporated into the public address announcer's script.

Emergency action plans shall be practiced and referred to prior to competition.

Before to the start of a contest, the Tournament Manager should identify themselves and establish a designated area where they can be reached in the event of an emergency.

The detailed medical policies are online and a link at the end of this general section.

### MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service.

There is no requirement that an ambulance be at the competition site for all play, however, the local administering agency shall be notified in advance and placed "on call" if an ambulance is unable to be on site.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies.

- An athlete demonstrating the signs and symptoms of a concussion will be presumed to have sustained a concussion and withdrawn from competition for the remainder of that day.
- If he/she can be immediately evaluated at the game site by an M.D. (Medical Doctor), D.O. (Doctor of Osteopathy), P.A. (Physician Assistant), ARNP (Advanced Registered Nurse Practitioner), ATC (Certified Athletic Trainer); or LAT (Licensed Athletic Trainer) and be determined that a concussion has not been sustained, a coach may return a student-athlete to play, but only with that required evaluation.

Any fees associated with providing medical coverage should be taken from gate receipts prior to any distribution.

Due to the unique skill set of Certified/Licensed Athletic Trainers it is recommended that one of these individuals be present at all practices and contests.

It is also strongly recommended that the member schools utilize only Certified/Licensed Athletic Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.

The detailed medical policies are online and a link at the end of this general section.

### HEAT ILLNESS PROGRAM

Tournament Managers shall review the Heat Illness Program posted on the KHSAA website and included as a link at the end of this general section.

The manager should be aware of the policies and work in conjunction with the licensed or certified athletic trainer hired to work the event in monitoring the Heat Illness prevention program.

The detailed medical policies are online and a link at the end of this general section.

### PHYSICAL EXAM / PARENT PERMISSION FORM

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

- The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 Permission to Treat Section ([Physical Exam Form](#)) for this purpose.
- The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition, but all involved should fall on FERPA guidelines regarding other health data of the student.

### ROSTERS, SUBSTITUTIONS

#### POSTSEASON ROSTERS

Postseason roster participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school system throughout the regular season, prior to the postseason deadline.

Schools must log into the Member School System (Arbiter) and designate their postseason roster, which is separate from the regular-season varsity roster.

Only student-athletes appearing on the school's postseason roster as of the first date of postseason are eligible to participate in any round.

No additional student-athletes may be added to the roster following that deadline, including those teams that advance to the

state tournament.

The online, postseason roster may be printed from the KHSAA main website as the valid listing of available student-athletes. This roster information is also used for advance preparations for teams qualifying for state.

### **SUBSTITUTIONS/LIMITATIONS**

Additional competitors over any postseason limits may be entered on the KHSAA postseason roster in case of an injury or other circumstances.

Changes to the postseason roster on the Member School System (Arbiter) must be done prior to the day of postseason competition.

Rosters are closed and no additions are permitted after that time.

### **BYLAW 22 REMINDER**

#### **REQUIREMENT TO ACCOMPANY TEAM MEMBERS**

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

### **MEDIA AND INTELLECTUAL PROPERTY RIGHTS**

#### **GENERAL MEDIA RIGHTS**

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the KHSAA host school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, first round, second round) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, first round, second round and state competition, managers shall make allowances for television media to record video of the contests, without play-by-play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, first round, second round and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the Tournament Manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the Tournament Manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the Tournament Manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event.

#### **GENERAL MEDIA NOTES**

Media access may be limited, especially if there are capacity limits.

Establish a limit on the number of credentialed media members at each event (number of passes per outlet, priority to those who regularly cover, home/visitor split, etc.).

## 2024-25 Instructions for Postseason Tournaments

Encourage media members to RSVP in advance of the event so that you can allocate space accordingly and grant access to any media on a "waiting list."

No non-working individual may be in the working press area, including spouses, family members, and others.

Interview opportunities may be limited during the week.

Disseminate as much information online as possible (limit handouts).

Incorporate easily identifiable credentials to ensure only authorized personnel are in restricted areas.

If radio space is limited to the home team, try to facilitate a shared feed of the home team's broadcast if possible.

Interviews should only be conducted if social distancing protocols can be followed.

Be mindful that no agreement can be made exclusive per adopted regulation, which precludes an audio broadcast by the visiting teams.

### **RADIO BROADCASTS**

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed, account, including play-by-play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

### **TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS**

No member school can sign an exclusive agreement for a postseason round (district, region, section, first round, second round) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

The KHSAA owns the exclusive rights to all postseason contests and requires any broadcast to be made available on the NFHS Network.

A telecast, as used in these instructions, is a video, live or delayed, account, including play-by-play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed, account, including play-by-play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast.

The mandated, minimum fee, will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

The district or regional tournament shall keep all of the proceeds of any fee charged in excess of the minimum fee as part of the receipts.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than 24 hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

Fill out and submit Network Broadcast Form (SI119), linked at the end of this section, to provide all the necessary information for the broadcast.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including first round, second round, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a state level contest (including state first rounds), and such requests shall be referred to Media Relations and Publications Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media

products such as Facebook® Live.

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Media Relations and Publications Director for approval by the Commissioner.

### MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.

### EVENT MERCHANDISE

If desired by the Tournament Manager, TEAM IP (Official KHSAA Merchandise Vendor) may be contacted about ordering event merchandise to be sold at the tournament.

Contact the KHSAA for more information or indicate accordingly on the District or Regional Manager Information form.
