Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

We are excited to be able to represent Region 2. We played a challenging schedule and have a 33-3 record. We play in a very good region and played some intense games in the regional tournament which I think will help us this week. Overall our team looks forward to the opportunity to compete in Owensboro. It'll be fun to see what happens!

Coach's Comments

What are keys to your team's success in winning the tournament:

I believe we have a great balance of pitching, defense and offense. We have a lot of experienced upper classmen who lead our team and is our strength. We also have some young talent that are big contributors to our program. The state tournament is a fun and exciting atmosphere. We need to manage that excitement and feed off that early in the tournament. Hopefully we can get a rhythm at the plate and in the circle early which will lead us through the tournament.
