Board of Control Meeting - March 17, 1950

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, March 17, 1950.

The meeting was called to order by President Lyman V. Ginger at 9:30 o'clock, with all members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present.

The minutes of the February 11 meeting were read and approved.

There was a discussion of post-season and all-star games, and the members of the Board reaffirmed their previous stand against sanctioning any games of this nature.

After a short session, the Board adjourned to reconvene at 10:00 A.M. on Saturday, March 19.

There was a discussion concerning who should be asked to speak at the forthcoming dinner meeting of the K. H. S. A. A. during K.E.A. President Ginger stated that he believed he could secure the services of Blanton Collier, former coach of Paris High School and now a member of the coaching staff of the Cleveland Browns. It was the unanimous opinion of the Board members that Mr. Collier should be asked to accept this assignment.

The Commissioner stated that the Board should at this time formulate its proposals which would be presented to the Delegate Assembly of the Association at the annual business meeting, to be held on Friday, April 14. The following proposals were discussed at length, and agreed upon unanimously by the Board:

1. The Board of Control proposes to re-write By-Law 8, to read as follows:
"Section 1. Any person who is a first team player on one secondary school team shall be ineligible to represent any other secondary school for the remainder of the season in that sport, even though his parents move to the school district in which the school to which he transfers is located. The season begins with the day when the squad is first called out for practice, and ends with the last game. The provisions of the first sentence of this section may be waived by the Commissioner in any case where there is evident injustice. Section 2. Any person who is a contestant on any other

team other than a secondary school team at any time during an athletic season shall be ineligible to represent any secondary school in that sport for the remainder of that season. The provisions of this section shall not apply to members of softball, baseball, swimming, golf, tennis and bowling teams.

2. The Board of Control proposes that in the second sentence of By-Law 1, Section 1, "Not later than Wednesday of the week preceding the week of each contest" be substituted for "At the close of the week preceding each contest."

3. The Board of Control proposes that the Commissioner and the Board of Control shall be authorized to establish regional tournaments in golf and tennis.

4. The Board of Control proposes that "84" be substituted for "82" in Tournament Rule XIV.

5. The Board of Control proposes that "180 yard hurdles" be substituted for "200 yard hurdles" in the second paragraph of Track Rule VII, this change to be put into effect in 1951.

T. K. Stone moved, seconded by Carlos Oakley, that all bills of the Association for the period beginning February 11 and ending March 16 be allowed. The motion was carried unanimously.
