Board of Control Meeting - December 20, 1958

The Board of Control of the K.H.S.A.A. met at the K.H.S.A.A. building, Lexington, on Saturday morning, December 20, 1958. The meeting was called to order by President Russell Williamson at 9:30, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield, present.

Louis Litchfield moved, seconded by Jack Dawson, that the reading of the minutes of the October 11th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

W. B. Jones, Chairman of the Trophy Committee, reported that the Committee had met in the K.H.S.A.A. office at 10:30 a.m. on Saturday, December 6, at which time the sealed bids for the 1959 district and regional basketball tournament trophies were opened. Mr. Jones reported that the Committee had accepted the low bid of \$27.95, made by the Sutcliffe Company, for each set of the necessary sixty-four sets of 1959 basketball tournament trophies to be used in the district tournaments, and the low bid of \$30.25 per set, made by the Sport Shop of Glasgow, Kentucky, for sixteen sets of the 1959 regional basketball trophies. Mr. Jones moved, seconded by K. G. Gillaspie, that the action of the Committee be approved by the Board. The motion was carried unanimously.

W. H. Crowds, Chairman of the Football Championship Committee, presented a proposed division of schools into Class A, Class AA, and Class AAA regions for football play-offs to be conducted in 1959. He stated that the Committee further recommended that the minimum number of games to be played by a team with other teams in its region, in order for it to qualify for a regional championship, be changed from five to four. K. G. Gillaspie moved, seconded by Robert P. Forsythe, that the recommendations of the Football Championship Committee be accepted and put into effect. The motion was carried unanimously.

The Commissioner gave a report on the recent survey he had conducted concerning the certification and duties of K.H.S.A.A. coaches. He stated that some twelve or fifteen member schools were apparently not complying completely with the provisions of K.H.S.A.A. By-Law 30, which states that the coach of a team shall be a duly certificated member of the school faculty. In some instances the required certificates had not been secured, and in other instances the coaches had very few assigned duties during the school day. W. B. Jones moved, seconded by K. G. Gillaspie, that the Commissioner notify the principals of schools not currently complying with the provisions of By-Law 30, with the warning that full compliance must be made by the 1959-1960 school year. The motion was carried unanimously

The Commissioner presented the following recommendations of the State Swimming Committee, to be put into effect for the 1959 State Swimming Meet: 1) eliminate the provision for a school being allowed to enter its swimming team in a lower class than the one in which its enrollment places the school during its first year of competition; 2) allow a competitor to enter only two events, including diving, this applying to all classes; 3) provide the same type of medals and trophies for all classes; 4) set the date of the Class A State Swimming Meet for February 28, 1959, and the date for the Class B and Class C meet for April 4, 1959; 5) give the Committee authority to decide on the dives for the various classes; 6) add the 200 yard medley relay to the list of Class C events. Louis Litchfield moved, and was seconded by W. H. Crowdus, that the recommendations of the State Swimming Committee be approved and put into effect. The motion was carried unanimously.

W. H. Crowdus moved, seconded by Cecil A. Thornton, that the next meeting of the Board of Control be held in Louisville January 30-31, 1959. The motion was carried unanimously.

Louis Litchfield moved, seconded by Robert P. Forsythe, that all bills of the Association for the period beginning October 11, 1958, and ending December 19, 1958, be allowed. The motion was carried unanimously.

The Board was then called to order in its capacity as Board of Directors of the K.H.S.A.A. Protection Fund.

Secretary-Treasurer Sanford presented the list of claims which had been paid by the Protection Fund for the period beginning October 11, 1958, and ending December 19, 1958, the total amount of these claims being \$11,975.47
